

### **General Practitioner (VR) – Women's Health (Full time or Part time)**

- Friendly, multi-disciplinary team
- Flexible conditions
- Generous salary packaging available

A position is available for a female\* GP to work in one or two women's health centres. The new GP will be working within multidisciplinary teams to provide primary health care to improve the health of women experiencing disadvantage and with complex needs. Hours can be full time or part time.

The successful applicant will have:

- Experience as a General Practitioner and current national registration (VR)
- Family Planning certificate or working towards
- Insight into health issues for women who have experienced disadvantage, domestic violence and childhood abuse
- Familiarity with computerised medical records
- Experience facilitating coordinated care for patients, eg. mental health and chronic disease management plans
- Excellent communication skills - written, verbal and listening

Special interest areas such as sexual/gynaecological health, eating disorders or anxiety/depression will be attractive. Shortlisted applications will address the criteria.

Locations: Leichhardt and/or Liverpool.

As an EEO employer women from diverse backgrounds are encouraged to apply. \*Being a woman is a genuine occupational qualification under s.31 of the Anti-Discrimination Act 1977 (NSW). Employment is subject to a successful criminal record check. We are accredited with GPA Accreditation plus.
